THE NICE VIEW OF THE WORLD

Look
things really aren't nice
I'm fed up with the nice view of the world
I feel like impaling myself on a railing
to show how horrible things are, I am

ADVICE TO THE MENTALLY ILL ESPECIALLY THE DEPRESSED

Now now
come along
come along
lifes not that bad
cheer up for Gods sake
you make me sick
people like you

HOW TO BE HAPPY

Its just as well most of us
enjoy being miserable
otherwise everything would be pointless
cheer up
the worlds bound to end
soon.

HOW TO SURVIVE A NUCLEAR WINTER Govt information

Wrap up well
for about 25 years
and carry a loaded shotgun
at all times

HOW TO LIVE A FULL AND REWARDING LIFE ON PAPER.

Its a well known fact
that time is hard to kill
unless you're going to be shot
next saturday
how much you like the inside of
your cell
if only you were going to be shot
the week after next
so If you want to live life to the full
the simple answer is to be shot
each weekend
but there are no simple answers
this is only an academic solution
which academics can try
for themselves

HOW TO GIVE YOURSELF INDIGESTION

Place a Haggis in a saucepan of water
and boil for an hour or so
by then it will have exploded,
scoop the remnants out of the water
and place on a tray in the oven until dry
Now eat the part cooked Haggis
and wait,
after answering a knock on the door
agree to drive a friend who sings
country and western to a venue
thirty miles away
now drink three or four pints of lager
and sit and listen to him
surrounded by a coach party of
pensioners from the midlands
till about half past eleven

OH GOD

the tedium the tedium the tedium the tedium
the tedium the tedium the tedium the tedium
the tedium the tedium the tedium the tedium of Life.
